Faithful In Every Generation Construction Fundraising Pledges & Gifts To Fund Construction In the Campus Plan

*“I am the Good Shepherd,
and I know Mine and Mine
know Me. They will hear
My voice.” John 10:14 & 16*

1. Campus Plan Construction. The Campus Plan for Saint Anne Catholic Church is a project to take place on the current holistic church campus to replace existing buildings with four new buildings—**Chapel, Parish Hall, Parish Offices, and Priest Residences**—as well as to renovate the parking lot for more parking, but not to make any construction changes to our beloved, 88-year old Mission Revival Style Church. This Campus Plan is forecast to begin construction in April 2028 and to take 2-years to complete construction of all four new buildings. The result will be a church campus that continues as a *sacred place of simple beauty*, welcoming the faithful for many generations at this *landmark parish* in Old Town Seal Beach.

2. Donor Intent. The intent of pledges and gifts to the Campus Plan at Saint Anne Catholic Church is to fund construction in the Campus Plan of four new buildings—**Chapel, Parish Hall, Parish Offices, and Priest Residences**—shown in the renderings above, along with additional parking and disabled access parking. If a change in plans results in gifts to the Campus Plan not being used for the Donor Intent described in this Pledge Statement, then individual donors shall have the right to request their gift be returned to them.

3. Fundraising Mission. The mission of the *Faithful In Every Generation* construction fundraising is to raise seventeen million dollars (\$17,000,000) for construction in the Campus Plan. The Pledge Amount for the Campus Plan shall be pledged by **December 31, 2025**.

4. Four Year Gift Payments. While Gift Payments are welcomed during **2025**, Gift Payments are expected to be made over four years' time in **2026, 2027, 2028 & 2029**, so the total Pledge Amount is completed by **December 31, 2029**. Also, the goal is at least one-fourth of the Pledge Amount be received as checks and/or strategic donations in each of the years **2026, 2027, 2028 & 2029**.

All Gift Payments shall be deposited in savings account **St. Anne Church (SB) Campus Plan (SAV)** ("Campus Plan Fund"), at Farmers & Merchants Bank. As the balance increases in the Campus Plan Fund, but before expenditures are made for construction costs, it is possible for funds to be transferred to a secured investment account at Christian Brothers Investment Services, Inc.
